1. [redacted] has been designated as the primary emergency contact by means of the Security Office sterile telephone. [redacted] With the replacement of [redacted] as the Project Personnel Officer, it is requested that arrangements be made to provide that [redacted] be designated as the emergency telephone contact for future personnel briefings. We see no reason why [redacted] may not remain the contact for personnel already briefed, but believe that [redacted] should be utilized in the future for new accessions.
